Dear Cambridge neighbor,

We're so fortunate to have a farmers-market-a-day in Cambridge! I'm pleased to provide you with this guide to help you decide where and when to shop for the

freshest, local produce. Also, as Vice Mayor and Chair of the Environment Committee, I'm working to add more local food options, hoping to "sprout" at least 60 new community garden plots this year! We'll also have our third annual Urban Agricultural Fair in Harvard Square on Sunday, September 18.

Join me in making fresh food in Cambridge more available and sustainable.

Healthy eating!

Henrietta
